

REMARKS

This is in response to the Office Action of September 27, 2005. By this Amendment, claims 54 and 88 have been cancelled and dependent claims 74 and 75 have been amended. Thus, claims 25-32, 34, 37-45, 47, 49, 59, 69-71, 73-75, 85-87, and 89 remain in the application. Of these claims, claims 25, 38, and 69 are in independent form.

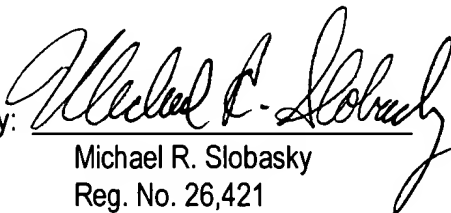

In the last Office Action, the Examiner indicated that all of the now pending claims are patentable over the prior art. The only rejection was to claims 74 and 75 for lack of antecedent basis. Claims 74 and 75 have been amended and it is believed that the §112 rejection is now fully overcome.

With respect to claims 54 and 88, Applicant reserves the right to file a divisional application directed thereto.

Thus, this application is now in condition for allowance. Should the Examiner have any questions after reviewing this response, the Examiner is cordially invited to telephone the undersigned attorneys so that this application can receive an early Notice of Allowance.

Respectfully submitted,

JACOBSON HOLMAN PLLC
